

Article name:	Green Shelving
Article code:	TRG18S402KHECA4G00
EAN:	8586002703276
Dimensions	180x90x40 cm
N° of levels:	4 shelves
Loading capacity (per level):	300 Kg. Total: 1.200kg
Weight:	15,3 kg
Finishing:	Epoxy White - RAL9003

Packaging:	Carton box
Pallet:	32 unit/pallet

Article description and specifications:

This product is made of low-emission steelmaking steel: controlled electric steel mill, traceable scrap metal. Metal Steel Shelving with HDF board with Rivet technology. This assembly system allows a higher sturdiness, easier assembly and longer durability. Safety use with no sharpened edges. Easy way to join divided uprights with an innovative and patented junction plate. Heavy load capacity (300kg per level)
