| <b>Codes and standards</b>   | EN 16510-2-1:2022                                                                                                                                                                   |
| <b>Specific requirements</b> | Sulla base delle prestazioni indicate, il generatore di calore risulta in classe<br>Based on the declared performances, the heating appliance is in class<br><br>5 stelle / 5 stars |

The issue of this certificate is based upon an examination, whose results are documented in Report No. K 3765 2025 B 09 dated 2025-12-15.

This certificate is valid only for products which are identical with the product tested.
