

## DECLARATION OF PERFORMANCE

 	<b>DECLARATION OF PERFORMANCE No 14</b> <b>REG. 305/2011/EU</b>	
--	--	---

1	Number of Declaration of Performance	“14”
2	Unique identification code of the product type	“MG 400”
3	Type number, batch or serial number of other element allowing identification of the product	Lot No: <b>0100/022/008</b>
4	Suggested use according to applicable harmonized specification	<b>ROOM HEATER FIRED BY SOLID FUEL</b>
5	Name, registered trade name or manufacturer trademark	“Gkekas Savvas & Yios O.E Co” 
6	Contact information of the manufacturer	Greece, 17 km THESSALONIKI - VERIA
7	Name and contact address of authorized representative	
8	System of assessment and verification of constancy of performance of the product	<b>SYSTEM 3</b>
9	Information of Notified Bod which conduct the identification of product type under System 3 and	Published Test Reports/calculations <b>“TERMOTEST CONSULT” LTD /(NB) 1999</b>
10	Test Report Number/Calculations of Notified Body)	TEST REPORT 0310 / 19.11.2015 & 741T.1 / 18.12.2015

11	ESSENTIAL CHARACTERISTICS	Declared Performance	Harmonized Technical Specification
	Nominal heat output	15,8 kW	HARMONIZED STANDARDS EN 13240:2001/A2:2004/AC:2007 EN 13284-1 FM 03/14 FM 02/14
	Efficiency	77,5 %	
	Emissions of CO (13%O <sub>2</sub> )	0,1150 %	
	Average temperature of flue gas	272,5 °C	
	Recommended fuel type	Wood logs	
	Minimum distance to (to the side)	90 cm	
	Adjacent combustible material * (to the back)	90 cm	
	Reloading interval at nominal heat output	0,76-0,86 h	
	Hourly fuel consumption	4,32-4,24 kg/h	
	Dust content at 13% O <sub>2</sub>	23,95 mg/m <sup>3</sup>	
	NO <sub>x</sub> content at 13% O <sub>2</sub>	136,00 mg/m <sup>3</sup>	
	OGC content at 13% O <sub>2</sub>	91,43 mg/m <sup>3</sup>	
	*applicable to insulated surfaces in accordance with the Technical Manual		

The performance of the product identified in paragraphs 2 and 3 correspond to the performance declared at point 11. This Statement of Performance is issued under the sale responsibility of the manufacturer that is identified in paragraphs 5 and 6.

Signed for and on behalf of the manufacturer
