

COMO

EASY ASSEMBLY

A unique feature of Como is its ability to be assembled while standing, making the process easier. This enables you to build the wardrobe directly in the room where it is intended to stand.

CUSTOMISABLE STORAGE SOLUTIONS

Customise your wardrobe by adding accessories such as shelves, drawer inserts, and high-quality dampers for silent functionality. Drawer inserts, shelves, and dampers are sold separately.

VERSATILE POSSIBILITIES

The Como wardrobes are available in two heights and four widths. Cabinets come in four colours, with sliding doors available in four colours, plus a mirrored version. Tailor your space effortlessly to your unique preferences.
